2 participants

### *Your Benefits:*

*The German-Korean training duo provide you with the opportunity to learn more than abstract knowledge about Germany. You will receive deep insights into German culture through personal anecdotes and experiences.*

*The training will be conducted in Korean. The training methods used will also take Korean training methods into account.*

*You can make contacts and build networks.*

*You will become more aware of your own personal cultural imprint.*

*You will build confidence and self-belief, leading to successful interaction with Germans.*

*Of course, your physical well-being will also be catered for.*

*Agenda*
